

March 24, 2020

Dear **property** Resident:

As you are aware, **property** has posted a number of notices over the past week and we ask you to read them very carefully during this time of crisis. We are trying to update you regularly and keep you informed.

Your rent and or other any applicable fees such as **parking, laundry etc.** is still due on the first of every month according to our collection policy. However, beginning April 1, 2020 we will not asses late fees to your account until further notice. Please understand you are still fully responsible for all rent payments according to your lease agreement.

We ask in order to eliminate exposure to our staff, please contact your bank to set up drafts to be mailed to the property.

If your income and employment changes make sure to contact the office immediately to discuss if you are eligible for any assistance or need to make other arrangements.

Since the staff has been inundated with phone calls and office hours may be affected, we request those able to contact us via email send questions, service requests or other communication to us at **property.com** and we will respond as timely as possible. However, for a maintenance emergency contact us at **---**.

Revised - Update from HCCI on Paying Rent & Evictions

LATE RENT & EVICTION - Due to the impact of COVID-19, many people are in fear of or have already experienced having their work hours reduced or losing their jobs. Therefore, tenants should begin planning a course of action to remain current with their rent. In order to assist, HCCI is providing the following tips:

- Understand, though Kansas courts may have a pause on civil court proceedings due to COVID-19, it does not mean you don't owe rent. You can still be evicted later for not paying all rent money due.
- Contact your landlord immediately to explain that due to a sudden and unexpected loss in income, you will not be able to pay the rent.
- Remember, this national emergency is not only happening to you, but to the landlord as well. Both parties should try to work together. Being a landlord is their job and how they derive income. Many landlords depend on rent payments to pay their mortgage and/or other bills.
- Ask for a rent payment plan which would outline a weekly, bi-monthly or monthly payment in order to get caught up. The landlord does not have to accept a payment plan, but if accepted, get it in writing. A tenant should only offer to make arrangements to pay what they can actually afford. Both parties must agree on the amount paid, and should sign the pay agreement, each receiving a copy.
- Always get a receipt for any rent paid.
- Late fees can only be enforced if outlined in a rental agreement. Ask your landlord if she/he can set aside any late rent fees due to this

unusual pandemic. If the landlord agrees, get the agreement in writing. A landlord does not have to comply, but many, if they can, want to help.

- Any additional income, for example, a government stimulus check, or IRS tax refund, could be set aside in a savings account for rent or should be sent directly to the landlord once received to cover rent payments. In other words, don't make a big purchase with that money. Use it for necessities such as shelter or prescription medication. Your city may have a list of resources for rent and other assistance. HCCI has resource lists for Topeka, Lawrence, Manhattan and Emporia, if needed.

- Important – The above is general information. There are significant specifics regarding late rent and the eviction process and each situation can be unique. Therefore, contact HCCI for FREE telephone counseling regarding late rent, eviction or other rental related issues at 785-234-0217. Your name and number will be placed on a call log and you'll be called back in the order of your call.

March 13, 2020

Dear Resident(s),

Since we are an elderly housing complex that represents the most susceptible population affected by viruses and with the recent outbreak of the coronavirus (COVID-19), we are taking the precautions to help reduce the spread of the virus to our staff, their families but also to you the residents. It is important we all work together, staff, residents and their visitors in communicating with one another for our mutual protection.

If you are not feeling well or are experiencing symptoms:

- Please stay in your apartment as much as possible
- Avoid contact with other residents
- Do not come to the office
- Ask your visitors to not enter our building if they have symptoms

If you need to speak with a staff member, please call (785) 354-4225. If you have something you would like to leave for the office, please drop it in the drop slot.

If you are calling about a maintenance request, please inform us if you are experiencing any symptoms or are self-quarantining due to the virus. Maintenance will not enter any units if you exhibit any of the symptoms or are being self-quarantining, please expect a delay in your maintenance request.

If you have a maintenance emergency and we must enter your apartment, we need to know ahead of time so our staff can take precautions.

Staff members will afford you the same respect and will not come to work if they are experiencing symptoms.

Thank you,

Management

RE: Activities

Date: March 13, 2020

Due to the recent outbreak of the Coronavirus, all activities will be cancelled effective Saturday, March 14, 2020. This will include but is not limited to library, blood pressure, La Colonia sponsored parties, dinners etc. We are trying to take every precaution we can until this outbreak calms down. We will let you know when activities will continue. We are very sorry for this inconvenience to you but please know, this decision was not made lightly. Your health and safety is our main priority.

As of now, we will still be having commodities come and the produce truck. We understand some people rely on this food every month, so we do not want to cancel this. IF you are experiencing any symptoms or feeling sick please stay home and do not go to the food truck.

If you have any questions or concerns, please call the office at 785-354-4225

ATTENTION

As a resident, you have a right to have visitors. However, because you live in a high density living environment that has a population that is especially vulnerable to COVID-19, we have asked that ONLY essential visitors come in to the building. As well we have done our best to inform you and visitors to the building of the concerns and symptoms.

It has been observed that some of you may be having visitors and/or family members coming on a regular daily basis. We strongly recommend that you do NOT do this because of the concerns for not only you but every other resident.

ABSOLUTELY ALL VISITORS MUST BE IN YOUR APARTMENT AND NOT IN THE COMMON AREAS AT ANY TIME.

March 23, 2020

Dear Resident/Member:

Due to the circumstances and to limit the potential spread of COVID-19, maintenance requests may still be submitted, but we will have to delay non-emergency requests until further notice.

If a maintenance emergency does occur call 785 354-4225 so staff can resolve it timely. If you feel your life is in danger for any reason immediately dial 911.

Below is a list of maintenance emergencies:

- Fire – call 911 first, then office number
- Gas Leak – call Property Gas Co at 1-888-482-4950 first, then office number
- No electricity – call Property Elec Co at 1-800-544-4857 first, then office number
- Backed up sink, toilet or sewer line – DO NOT continue to use water, shut the water off if possible
- Water leak
- Flood
- NO water or no HOT water
- Toilet not operating – if only one bathroom in household
- Electrical short
- No HEAT if outside temp is BELOW 65 degrees
- No AIR CONDITIONING if outside temp is ABOVE 85 degrees
- Frozen pipes
- Any other safety hazard concern

Failure to report a maintenance emergency may result in long term damage to your unit and/or the property.

Non emergencies may be reported the next business day. We encourage all non-emergency concerns be submitted via email at tonyj@lacoloniatopeka.com.

Health and safety for you and our staff is of the utmost importance. Please notify us if you are experiencing flu-like symptoms, high risk or are currently quarantined (self or under direction of a physician).

Any staff members affected or experiencing symptoms will not be scheduled for work or entering your home.

Be well and be safe!

Management

STOP

Due to the COVID-19 pandemic and based on CDC guidelines and recommendations our common area restrooms will not be in use until further notice. You must use the restroom in your apartment

We are sorry for any inconvenience this may cause you but it is for protection of all of our residents
